Google

- Create a Google Plus account associated with Science for Sociopaths brand account.
- Go into your Google brand account and add links to all of your band profiles around the web.
- Make sure your Google Brand account has one or more promotional images associated with it. This is an easy way to directly associate a relevant image to your entity.
- Add music to Google Play. **Note:** May or may not get Google to add to knowledge panel.
- Register Your Site in Search Console
 - <https://search.google.com/search-console/about>
- Finally you'll want to connect your Google brand account to your band website.
Note: Allows Google to know you exist.

Create Wikipedia, Wikidata, MusicBrainz entries

Wikipedia

Note: Make not work, but should try.

How to Get a Wikipedia Page for Your Band

https://bandzoogle.com/blog/how-to-get-a-wikipedia-page-for-your-band?pc=musicseo&utm_source=SEOguide&utm_medium=eBook&utm_campaign=eBooks

Wikidata entry

https://www.wikidata.org/wiki/Wikidata:Main_Page

MusicBrainz entry (Wikipedia of music)

Add band information to MusicBrainz.
